PRESIDENT'S MESSAGE

Welcome,

All of us want to have some sense that we are doing what God made us to do. It goes all the way back to the Garden of Eden. Adam and Eve were put there and given the responsibility to subdue the earth and exercise dominion over it. Being fruitful, multiplying, tending the garden and filling the earth were all God-given mandates before sin entered into the world.

Part of what this means is that from the beginning, God's plan was that work would be a part of living on this earth. We were created for work. We were designed to achieve, create, and expend energy to be productive. That's why, as part of God's common grace, all human beings, even after sin entered this world, get enormous gratification from working. It gives us a sense of accomplishment and gratification. It's why at The Millard College we speak so much about discovering God's destiny for your life.

This sense of destiny begins with having a right relationship with God through his Son, the Lord Jesus Christ. By repenting of one's sins and trusting in Jesus Christ's work on the cross for the forgiveness of those sins, one can start to fulfill the destiny that God has for them. God's destiny for one's life is often connected to a sense of calling and vocational satisfaction. And vocational satisfaction is most often achieved by participating in some sort of vocational training and education. This is exactly what The Millard College will help you achieve: discover your calling and God-given destiny.

And while you are with us as a student, we will come alongside you with a comprehensive support system that will help you finish what you started. We will be with you every step of the way.

I look forward to serving you.

Randy Stinson, Ph.D.
President

COLLEGE PROFILE

Mission Statement

We provide world-class education with comprehensive support for people to live their God-given destiny.

Statement of Faith

The Millard College Statement of Faith is rooted in the historic Christian faith as summarized, but not entirely limited to, the following beliefs:

We believe the Bible to be the inspired, inerrant, only infallible, authoritative Word of God.

We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe that for the salvation of the lost and sinful people, regeneration by the Holy Spirit is absolutely essential.

We believe in the present ministry of the Holy Spirit, by whose indwelling, the Christian is enabled to live a Godly life.

We believe in the spiritual formation of believers by discipleship.

We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.

REGISTRATION

Trimester System

The Millard College certificate programs will be offered in twelve-week modules that may include summer sessions. Some programs may be active on a year-round schedule.

Credit Hours

The Millard College uses a combination of online instruction (synchronous and asynchronous), assignments, discussion boards, practica, and internships to deliver its blended course content. Each credit hour is awarded based on the equivalence of 1 hour of instruction plus 2 hours of outside work per week for 15 weeks.

Program Length

The Millard College delivers three credit hour classes in a four-week time frame format. Classes generally will begin on Monday of the first week and end on Friday of the fourth week.

Course work and assignments have been designed to require the student to complete a minimum of 45 hours of work during the four-week class. The Millard College's academic calendar offers three Trimesters each year. Each Trimester consists of four terms.

Addiction Recovery Studies Certificates (32 weeks)

The ARS Program consists of eight four-week courses. Each of these courses offers 3 credit hours for a total of 24 credit hours. The entire program requires 32 weeks or approximately 8 months.

Work Ready Certificate (20-21 weeks)

The Work Ready Certificate consists of five four-week courses, plus, in some cases, a final one-week capstone project. The entire program requires 20-21 weeks of approximately 5 months and 1 week.

Cost and fees

Each class will have a \$30.00 technology fee and a \$75.00 Literature fee.

The cost of one credit hour is \$240.00

Advisement Process

While students are assigned to an academic advisor, it is important to note that all students are responsible for compliance with the contents of the TMC catalog including graduation requirements, procedures, and regulations. Students typically follow the certification requirements in effect at the time of their first registration at the College provided they attain a certification within six years. TMC reserves the right to amend, delete, or modify any requirements. The advisor will consult closely with the students to assist them in matching their coursework with their educational and vocational goals. Academic advisors assist students by explaining requirements and procedures, but the student is ultimately responsible for knowing and following the requirements, policies, and procedures governing their progress. The following list outlines student responsibilities in the advising process. Students are expected to:

1. Read the Academic Catalog and the Student Handbook and comply with all policies, procedures, and requirements.
2. Review possible course options prior to appointments with advisors.
3. Contact advisors in a timely fashion for registration or other necessary appointments.
4. Know and follow all College requirements for completing a program.
5. Register for classes.
6. Obtain, complete (including obtaining required signatures), and submit all forms needed for course changes, graduation, and related matters, according to the deadlines set by the Registrar's Office.
7. Contact advisors immediately with concerns about academic progress in particular classes or progress toward completing a program.
8. Be actively responsible for their College experience.

Advisors can answer questions about The Millard College or classes. All requested changes regarding advisors should go through the Registrar's office.

ENROLLMENT

The Millard College conducts published enrollment periods throughout the year. Students who wish to enroll must follow all requirements. Students must apply, speak with their advisor, arrange to pay any fees and tuition, and accumulate all required documentation.

Individuals are considered officially registered students of The Millard College if they have completed all requirements for admission and have been funded or attended the College orientation.

Standard Enrollment

Standard students are enrolled in traditional, grade-bearing courses. These courses also count toward the awarding of a certificate. If a student is in need of a remedial course to prepare them for the certificate program, The Millard College will utilize local resources such as The Adult Learning Center and tutors.

Auditing a Class

Auditing a course allows a student to take a class without receiving a grade or credit for a course. A student who audits a course does so for the purposes of self-enrichment and academic exploration.

A student must elect to audit a course at the time of enrollment. Once a class is being audited, the class cannot be used for credit towards a certificate. The class will follow the standard fee and tuition schedule.

REGISTRAR'S OFFICE

Educational Records

The Family Educational Rights and Privacy Act of 1974 grants to students' certain rights of access, review, challenge, and exception to their educational records. These rights are: 1) The right to inspect and review the student's education records after submitting a written request. Such requests should specify the records to be inspected and should be submitted to the Registrar's Office 30 days in advance. 2) The right to request a correction to education records which the student believes are inaccurate or misleading. Such requests should be submitted in writing to the Registrar's Office and should identify which part of the record is inaccurate or misleading and provide documentation as to why it should be changed. 3) The right to have personally identifiable information contained in the student education record to be held as confidential and not subject to disclosure without the consent of the student.

Exceptions to this non-disclosure right include provision for school officials to perform their functions and the ability of the school to disclose "directory information". The Millard College designates the following student information as "directory information": name, address, email address, telephone number, previous institutions attended, major field of study, honors, degrees conferred, participation in recognized sports and activities, date and place of birth, height and weight of athletic team members, photographs, dates of attendance, and classifications. Students may withhold disclosure of this information by submitting written notification to the Registrar's Office. Forms to request the withholding of directory information are available in the Registrar's Office. The College assumes that the absence of such a request indicates student approval for disclosure.

FINANCIAL INFORMATION

Student Obligations

Tuition and other fees are set forth in the published fee schedule. Official transcripts will not be furnished until all debt to TMC is paid in full. All accounts must be paid in full prior to the time of graduation. Students with prior balances from previous trimesters will not be permitted to return until all balances are paid.

Tuition and Fees

Tuition and fees are current as of January 1, 2022, and are subject to change by The Millard College Board of Regents and/or President without notice. Full payment is due prior to the first week of the start of the term.

Withdrawal Procedures and Refunds to Students

Drop/add Policy

The drop/add period is the period following initial registration when students may make class schedule adjustments. Drop/add dates are 72 hours after the scheduled course begins. Courses can be dropped or added during drop/add without penalty.

Failure to attend a class does not constitute a drop.

The drop/add procedure is as follows:

- 1) Secure a drop/withdrawal form from the Registrar's Office.
- 2) Fill out the form and secure the signature of the instructor. The instructor must return the signed form to the student within 2 working days.
- 3) Return the form to the Registrar's Office. Students should consult the Registrar's Office or check the Academic Calendar in the Academic Catalog to determine the last day of withdrawal. Failure to drop/withdraw or to change a class properly will result in a student receiving a failing grade for the class.

To add a course, students should register to attend the desired class with the Registrar's office.

Students can petition the drop/add policy for these circumstances:

- Students with disabilities who need to drop a course due to disability-related reasons
- Students who can document extenuating circumstances that have occurred since the course began
- Students who need to drop after the last day of classes who are seeking a retroactive drop that is not for medical reasons

Students who wish to petition the drop/add policy shall submit their petition request in writing to the Registrar's office.

Withdrawal From the College Policy

To officially withdraw from the College, a student must begin the process in the Registrar's Office. The student must fill out a formal notice of withdrawal and obtain the signature of the Director of Admissions. Refunds will be made only to students withdrawing from school (not individual classes) on the prorated schedule published in the Academic catalog.

Refund Policy

To receive a refund, a student shall notify the Registrar's office in writing of their desire to drop/withdraw from a course. Students who notify the Registrar's office in writing by Friday of the first week of class shall receive a 75% refund. Students who notify the Registrar's office in writing by Friday of the second week of class shall receive a 50% refund. There are no refunds permitted after Friday of the second week of class.

Existence of the Kentucky Student Protection Fund

In accordance with [KRS 165A.450](#) all licensed schools, both resident and non-resident, must contribute to a student protection fund. The fund shall be used to reimburse eligible Kentucky students, to pay off debts, including refunds to students enrolled or on leave of absence by not being enrolled for one (1) academic year or less from the school at the time of the closing, incurred due to the closing of a school, discontinuance of a program, loss of license, or loss of accreditation by a school or program.

Process for Filing a Claim Against the Kentucky Student Protection Fund

To file a claim against the Kentucky Student Protection Fund, each person filing must submit a signed and completed Form for Claims Against the Student Protection Fund, Form PE-38, and provide the requested information to the following address: Kentucky Commission on Proprietary Education, 300 Sower Boulevard, Frankfort, KY 40601. The form can be found on the website at www.kcpe.ky.gov.

GENERAL ACADEMIC INFORMATION

POLICIES AND PROCEDURES

Academic Assessment

The Millard College utilizes assessments that ensure quality throughout the learning environment. Multiple modes of instruction and testing will be used to monitor efficacy of teaching the material provided in each course.

All instructors are required to have a course map prepared for each course. All assessments are facilitated by the faculty and Millard staff.

Academic Honesty

All students at The Millard College will conduct themselves with integrity and honesty. It is the goal that students will carry integrity to all other areas of their lives.

If an instructor suspects academic dishonesty, the instructor should speak to the student individually. If the instructor deems the student not at fault, no action will be taken. If under further review the instructor believes that there is enough evidence against the student, the consequence will be decided by the instructor. Consequences can include a verbal warning, a written warning, a referral to a counselor, a failing grade on an assignment, a failing grade for the course, or forced withdrawal from the course.

If a situation arises where a student is determined to have acted with academic dishonesty, he or she will be given the right to appeal the instructor's decision. The student should first try to resolve the conflict with the faculty. If a student is still not satisfied with the outcome, then they should contact the Student Success Committee.

Late Work Policy

All students are expected to complete work as assigned. Students needing extra time should contact their professor to make potential arrangements.

Transfer Credit

The Millard College generally awards transfer of credits earned at institutions of higher education which are accredited by an accreditation organization and recognized by the U.S. Department of Education. In order to be considered for transfer of credits, The student must inform the Millard College office of admissions of the request to transfer credits and submit official college transcripts from the institution in which the credits were earned.

The Millard College will consider the following in evaluating courses for transfer of credit:

- The courses direct alignment of the specific subject matter.
- The educational quality of the learning experience.
- The comparability of the nature and content of the learning experience.
- The appropriateness of applicability of the learning experience in light of the student goals.

The student must present a transcript from the institution that awarded the original credits to The Millard College Office of the Registrar. The preferred avenue is the electronic statement of the credits sent directly to The Millard College from that institution. Please ask the institution to send the electronic statement of credits directly to admissionsteam@millardcollege.org. Hard copy of official transcripts are also acceptable, and may be mailed to:

The Office of the Registrar
The Millard College
Attention: Transcripts
PO Box 728, Louisa, KY 41230

The student may be required to present a copy of the course catalog description or syllabus of the course content to which the earned credits are attached.

Once the transfer of credit request has been made and official transcripts are received, the Office of Admissions shall refer the request to The Millard College Registrar's office for consideration and approval. The Registrar's office will notify the student of the credit decisions.

Catalog of Record

Students may not combine program requirements with that of an older catalog revision. Students must follow the requirements from the catalog given to them at the time of enrollment.

Once a student begins working on a program, they will have six years to complete that program under the same requirements. After five years, the student will be responsible for updated requirements.

If The Millard College discontinues a program, the student will have one year to satisfy the requirements of the program. If they cannot meet this timeline, then a different intent will be declared. A student cannot enroll in a terminated program.

Updating Student Information

Any and all changes to a student's name, address, phone number, or any other identifying information must be sent to the Registrar's office.

SATISFACTORY ACADEMIC PROGRESS

Drop/Add Period

The drop/add period is the period following initial registration when students may make class schedule adjustments. Drop/add dates are 72 hours after the scheduled course begins. Courses can be dropped or added during drop/add without penalty.

Failure to attend a class does not constitute a drop.

The drop/add procedure is as follows:

- 1) Secure a drop/withdrawal form from the Registrar's Office.
- 2) Fill out the form and secure the signature of the instructor. The instructor must return the signed form to the student within 2 working days.
- 3) Return the form to the Registrar's Office. Students should consult the Registrar's Office or check the Academic Calendar in the Academic Catalog to determine the last day of withdrawal. Failure to drop/withdraw or to change a class properly will result in a student receiving a failing grade for the class.

To add a course, students should register to attend the desired class with the Registrar's office.

Students can petition the drop/add policy for these circumstances:

- Students with disabilities who need to drop a course due to disability-related reasons
- Students who can document extenuating circumstances that have occurred since the course began
- Students who need to drop after the last day of classes who are seeking a retroactive drop that is not for medical reasons

Students who wish to petition the drop/add policy shall submit their petition request in writing to the Registrar's office.

Attendance

Attendance is expected and required. Any absence is considered an academic loss and could place student success in jeopardy. Attendance at class, practicum worksites, and scheduled training is the responsibility of the student.

If an absence is due to a College activity, verified illness, personal or family crisis, the student will be granted the ability to make up the work. Students should give the instructor ample notice of these types of absence. The definition of excessive absence is left up to the instructor and could result in failure of the course.

Examinations

All students are required to take their tests and their final exams at the time they are scheduled, unless previously excused by the professor. Tests from which a student has been excused by the professor must be taken before the week of final exams. When a professor requires that a student make up a test or quiz which was missed due to an absence allowed by school policy, it should be made up within a period of no longer than three weekdays following return to campus or school activity. If a final examination needs rescheduled, the student should contact the instructor.

Grades and Grade Points

Passing grades are recorded as A, B, C, D, and P (indicating pass); F indicates failure. An incomplete "I" is given only when there has been notification to the instructor concerning extraordinary circumstances that have made a student incapable of completing the work. When an "I" is given an explanation of the work required to finish should be filed with the Vice President of Academic Administration at the time the grade is submitted. The student will have until the end of the following session to complete the incomplete work. If this is not completed, then the student must retake the entire course.

Grade points are a way to mark academic achievements. For each module hour of credit with an "A" grade, 4 points are awarded; for a "B" grade, 3 points; for a "C" grade, 2 points; for a "D" grade, 1 point; and for an "F" grade, no points will be awarded.

Grade Point Average

A student's GPA is calculated by dividing the number of grade points earned in a course by the number of credit hours attempted.

Grade Point Average: Cumulative

Cumulative grade point average (GPA) is determined by dividing the number of grade points earned in all of the student's College courses by the number of credit hours attempted. If the student has repeated a course, only the most recent grade and grade points will be used in calculating GPA.

Academic Probation

A student that is enrolled full time should be at least making minimum progress towards a program of study. The student's GPA is used to measure this progress. Minimum progress is determined as follows:

A student must remain at or above a 1.6 cumulative GPA.

If any student falls below this minimum standard, they shall be placed on academic probation. While on probation, the student's course load will be reduced to a maximum of 6 hours to allow the student to better manage the workload.

Grade Scale

The Millard College follows the trimester system in its academic calendar and operates on the four-point (4.0) grade system. Grades are symbols that indicate the degree of mastery of course objectives. Grades do not necessarily reflect the degree of effort put into learning material. The numerical value of quality points are as follows:

GRADE	QUALITY POINTS
A	4.0
A-	3.6
B+	3.4
B	3.0
B-	2.6
C+	2.4
C	2.0
C-	1.6
D+	1.4
D	1.0
D-	0.6
F	0.0
XF	0.0

The following designations are also used:

Work in Progress	WIP	Incomplete*	I
Withdrew from school	WD	Course retaken	R
Withdrew with a passing grade	WP	Passing	P
Withdrew with a failing grade	WF	Satisfactory	S
In Progress	IP	Audit	NC
		Failure for Absences	XF

If for some truly extenuating circumstance (e.g., serious illness, accident, death in the immediate family) students are unable to complete course work before the final day of class or are unable to take the final examination, students may petition instructors for a grade of "I" (Incomplete). An "I" should not be given as a midterm grade. Work designated as incomplete must be completed within six weeks from the close of the incomplete term. The "I" will be calculated with 0.0 quality points until instructors officially submit new grades. If work is not completed, the incomplete grade becomes "F".

Academic Appeals

A student may at times substantively disagree with decisions made by professors. Substantive disagreements may relate to any aspect of the course, such as course requirements, the grading scale, teaching methods, grading procedures, etc. If such a disagreement occurs, the student should follow the following procedures:

1. Meet with the professor to discuss the issue in a pre-arranged, scheduled meeting. Unplanned meetings before or after class or in the hallway are often not effective in dealing with such issues. In most cases, discussing the issue with the professor resolves the situation.
2. If the issue is not resolved, and if the student feels the issue warrants further consideration, the student may file a formal written complaint to the professor. The professor will respond in writing, within 14 days, to the student's written complaint.
3. If the student and professor are unable to come to a resolution, the student may forward the written appeal, along with the professor's written response, to the Student Success Committee. The Student Success Committee will attempt to resolve the issue.
4. If the resolution is still not achieved, the student may file a written appeal to the Vice President of Student Services. The appeal must be submitted within 30 days of the incident in question. This written appeal should include the responses of the course instructor and the Student Success Committee. The Vice President of Student Services will render a written recommendation to the student and professor in question, and to the Vice President of Academic Administration. Appeals will normally be considered and

responded to within two business days of the receipt of the appeal. Appeal forms and further instructions are available under the Current Students section of the TMC website.

TRANSCRIPTS

Official Transcripts

An official transcript is a guaranteed, accurate portrayal of a student's progress in College. An official transcript should be requested from the Office of the Registrar and will be stamped with an official seal. The Millard College will charge a \$10 fee for any requested official transcript.

Previous College Transcripts

A student must send official transcripts to TMC from any other colleges they have attended. The Registrar's office will evaluate all credit hours from other institutions. These official transcripts must be kept on file.

Holds

A hold will be placed on a student's transcript if any amounts are due and unpaid. Until all debt is paid, a student will not be able to obtain their transcript for any reason. After the obligation is met, the student will then be able to request their transcript again.

Transcript Requests

In order to have an official transcript delivered to another college or to an employer, the student must submit a written request and release. Official transcripts will be sent only upon request. Students will be charged \$10.00 for each transcript request.

GRADUATION

Graduation Check

Progress toward completion of graduation requirements should be checked each trimester. Students should contact their academic advisor to review their progress.

Participation in Ceremony

To participate in the graduation ceremony, students must apply for graduation prior to the deadline as stated in the academic calendar. There will be no fees charged to the student to apply for graduation or to participate in the graduation ceremony.

INSTITUTIONAL POLICIES AND PROCEDURES

Grievances, Complaints, and Appeals

In the interest of protecting all students, the College will process written student complaints as expeditiously as possible. Students are expected to take their concerns to the faculty member, staff person, or administrative office with whom they have a grievance, before filing a formal written complaint. If satisfaction is not achieved, or if the complaint involves harassment or discrimination, the student may prepare a written complaint describing in detail the grievance and the steps taken heretofore to bring about resolution. The written complaint form can be accessed from the TMC webpage by choosing Student Services and clicking on the Student Services Written Complaint Form link under the heading Appeals Forms. Once the form has been completed and submitted, it will be given due consideration before the Student Success Committee.

The Student Success Committee will investigate the student concern by interviewing the student and the relevant personnel against whom the grievance is filed, or who have administrative responsibility for the area against which a grievance is filed. If the complaint is satisfied the designated Student Services officer will note and file the resolution.

If a student believes that they have been treated unfairly in a disciplinary (non-academic) process, they will have the opportunity to appeal any part of that process. The appeal process is outlined below:

1. The Appeal Form can be accessed from the TMC webpage by choosing Student Services and clicking on the Student Services Appeals Form link under the heading Appeals Forms. The student must be able to present evidence and/or witnesses that would warrant an investigation of any disciplinary action in dispute. The appeal must be submitted within one work week (5 days) of notification of the disciplinary action or the right to appeal will be forfeited. Once the form has been completed and submitted to the Student Success Committee Chair, the chairperson will decide from the information provided whether the case warrants formal presentation before the entire committee.
2. If the appeal is deemed legitimate by the Student Success Committee Chair, the Chair will, within 3 working days of receiving the submitted appeal, schedule a formal hearing before the entire committee. The appeal hearing should be held within 5 working days of the submitted appeal.
3. The Student Success Committee which will hear the appeal consists of four faculty/staff members appointed by the Vice President of Student Services.

4. After hearing the appeal, the committee may overturn, uphold, reduce, or expand the earlier disciplinary ruling. The student will receive a verbal explanation of the committee's decision at the conclusion of the formal hearing. The student will receive written notice of the committee's decision within two working days.

The grievant may submit the grievance or appeal to The Millard College's licensing board, the Kentucky Commission on Proprietary Education.

To file a complaint with the Kentucky Commission on Proprietary Education, a complaint shall be in writing and shall be filed on Form PE-24, Form to File a Complaint, accompanied, if applicable, by Form PE-25, Authorization for Release of Student Records. 2. Administer proper medical attention.
3. Call 911 or emergency services if necessary.
4. Notify the administration.

Insurance

The College does not assume responsibility for the loss of or damage to a student's personal property. The College also does not retain a policy to cover the loss or damage to student's property. Students are encouraged to obtain their own insurance policies for health, prescriptions, and injuries.

Social Media Policy

Social Media communication has become very important to colleges and student bodies. While this is a great way to stay in touch around the world there is a need for responsible use of these public communication tools. Much damage can be done when thoughtless or reckless use is made in these public forums. The Millard College students are asked to follow guidelines in the use of any and all social media.

1. Refrain from posting negative or hurtful comments about others.
2. Follow College standards when posting pictures, videos, or other communications for others to see. Profanity, nudity or vulgar, hurtful, or derogatory comments should never be posted for others to see.
3. Negative and hurtful comments about the College, employees or other students should not be posted.

When these guidelines are not followed the following steps may be taken by College administrators:

1. The offending student will be contacted and will be asked to remove any and all hurtful or negative comments.
2. If the student agrees and postings are removed there will be guidance to lead to more positive use of social media.
3. If students refuse to remove offensive postings there will be action taken to correct the situation. These actions may include but are not limited to social media probation, or suspension.
4. If students are discovered to have posted offensive items for a second time, after being advised concerning their first posting, actions will be taken which could lead to suspension or expulsion of the offending student.

Medical Issues

Any student suffering a medical illness that prevents them from satisfying their responsibilities in any given class can request an extension. Directors and instructors should be sensitive to the needs of the student within reason. Instructors will work with the student to the best of their abilities. The instructor has the final decision on any extension or administrative withdrawal.

The College houses no facilities for the treatment of injuries or illness. The College provides no medical personnel on duty. Students are encouraged to seek appropriate medical attention when necessary and to maintain proper health insurance.

The Millard College is committed to a policy of nondiscrimination based on race, color, religion or creed, national origin or ancestry, sex (including gender, pregnancy, sexual orientation, and gender identity), age, physical or mental disability, or veteran status in admissions, educational programs or activities, and employment. The final responsibility for ensuring equal opportunity rests with the President and the College.

Implementation responsibility of policy is assigned to the Vice President of Student Services in student matters. It is the responsibility of the Vice President of Student Services to provide leadership that is necessary for securing the objectives and goals of the program.

Non-discrimination complaints by an employee should be addressed to the employee's supervisor or the Human Resource Department. Non-discrimination complaints from a student should be addressed to the Vice President of Student Services. All Complaints regarding discrimination shall be resolved through the following procedure:

1. Complaints should be filed in written form and contain the name and address of the person filing the complaint. The complaint should describe the alleged violation.
2. If appropriate, after filing the complaint an investigation will follow. If the complaint is directed against the President, the Board will then appoint an investigating officer. The investigation shall be thorough but informal. All interested parties, including the person against whom the complaint is lodged and the complainant, will be afforded an opportunity to submit evidence, oral or in written form, relevant to the complaint to the investigator.
3. No later than 30 calendar days after the filing of the complaint, a written investigative report and a description of the resolution will be issued by the investigation officer. A copy of the report will be forwarded to the complainant.
4. Records regarding complaints and their resolution shall be maintained in a confidential file by the Vice President of Student Services.

The person filing a complaint can submit a complaint to the President, or the Board of Regents if the complaint is being filed against the President. In order to do so, the complaint must be filed within ten days of receiving the resolution from the aforementioned investigating officer. The staff over the appeal will send a written response within ten days considering the validity of the appeal complaint.

Sexual Harassment

The Millard College is committed to maintaining a positive and safe learning and working environment. The Millard College students and employees will be responsible for assuring that the College maintains a safe environment for study and work, free from sexual misconduct. All members of the Millard community are expected to represent themselves in a manner that does not infringe upon the rights of others. The Millard College prohibits sexual misconduct, specifically including sexual assault, sexual exploitation, rape (including "date" or acquaintance rape), domestic/dating violence, sexual harassment, stalking, cyber-stalking/bullying, facilitating the commission of a violation, and retaliation for reporting misconduct.

Sexual misconduct is unlawful, impedes the realization of educational goals, violates the dignity of individuals, and will not be tolerated. Sexual misconduct is considered an illegal form of discrimination in violation of The Violence Against Women Act of 1994, Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972. Sexual misconduct could lead to criminal prosecution.

Individuals with questions or concerns about Sexual Misconduct, or those wishing to file a complaint of Sexual Misconduct, should contact the Vice President of Student Services, The Millard College. In an emergency, please call 911 for immediate assistance.

Every effort will be made by the Vice President of Student Services to protect the confidentiality of the parties during an investigation and provide for the safety and welfare of the complainant. After an investigation is performed, any person who has been found to have violated this policy or retaliated against an individual for making a complaint will be subject to discipline, including expulsion from The Millard College and/or termination of employment.

Sexual Harassment Complaint Process

Individuals who believe they have been the victims of conduct prohibited by this policy statement or who believe they have witnessed such conduct should discuss their concerns with the Vice President of Student Services or Human Resources.

When possible, The Millard College encourages individuals who believe they are being subjected to unwanted conduct to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. However, no action or inaction of any employee shall preclude that employee from following the complaint procedures set forth herein.

The Millard College encourages the prompt reporting of complaints or concerns so that rapid and constructive action can be taken before relationships become irreparably strained. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment, therefore all employees are encouraged to report any acts of harassment as soon as they occur.

Any reported allegations of harassment, discrimination, or retaliation will be promptly investigated. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the alleged conduct or may have other relevant knowledge. Confidentiality will be maintained throughout the investigatory process to the extent possible without hampering the ability to conduct an adequate investigation and institute appropriate corrective action. It is important to note that during an investigation of any form of harassment, it is the effect the harassing behavior has on the victim that is relevant and not the intent of the harasser.

Retaliation against an individual for reporting harassment or discrimination or for participating in an investigation of a claim of harassment or discrimination is a serious violation of this policy

and, like harassment or discrimination itself, will be subject to disciplinary action up to and including termination. Acts of retaliation should be reported immediately and will be promptly investigated and addressed.

If a party to a complaint does not agree with its resolution, that party may appeal to The Millard College legal department.

False and malicious complaints of harassment, discrimination, or retaliation may be subject to appropriate disciplinary action, up to and including termination.

Student Conduct

If a student's conduct is detrimental to The Millard College, the student may be suspended or dismissed from the College by the Vice President of Student Services. If a student is placed on suspension, they may not have access to any College facilities, nor take part in any College activities or classes. If a student is dismissed from the College, they may not re-enroll until at least one full trimester has passed. The student has the opportunity to appeal in writing to the Board of Regents after one module has elapsed, stating the terms for the dismissal and the conditions explaining promise for improvement. The Student Catalog can be utilized as a guide for students who have been suspended or dismissed for misconduct to understand their right to appeal and the proper procedure.
